## PRIME HARVEST® | SOLID HARDWOOD

### A Classic Choice for Natural Beauty

With Prime Harvest® floors, you simply can't go wrong. The collection features America's most-loved species in colors and widths designed to complement any decorating style. And because each plank is crafted from premium lumber and backed by a lifetime warranty, you know you are getting the best.

#### SMOOTH, CONSISTENT LOOK

Not all hardwood floors are the same. The Prime Harvest collection features only select and premium grade Appalachian hardwoods prized for denser, more stable wood with a tighter grain and rich color. More stable grades of hardwood also mean fewer streaks, knots and flaws, so you get a consistently beautiful floor.

#### 100% SOLID HARDWOOD

Often imitated, never duplicated, Hartco solid hardwood floors are proudly made in the USA with domestically sourced lumber, a naturally sustainable resource.
