AMERICAN SCRAPE® | SOLID HARDWOOD

Richly Textured for Rustic Beauty

Richly textured floors inspired by the diversity of the American landscape bring the look of vintage hand-scraped floors to today's homes. American Scrape® hardwood combines beautiful design with premium American materials and craftsmanship to ensure the highest quality textured hardwood floors.

NATURAL CHARACTER

In each carton of American Scrape, you can expect to find a range of natural wood character, such as filled knots and splits, large mineral streaks and high color variation. For optimal installation, mix planks from multiple cartons to ensure that the natural character is evenly distributed throughout the floor.

100% SOLID HARDWOOD

Often imitated, never duplicated, Hartco solid hardwood floors are proudly made in the USA with domestically sourced lumber, a naturally sustainable resource.
