TimberBrushed®

Solid Hardwood

Weathered Charm with Artistic Flair

The organic beauty and quality of 100% solid hardwood is heightened using artistic techniques, to create a time-worn texture unique to TimberBrushed.

Distinctive Character

The canvas begins with premium Appalachian hardwood, valued for visuals of tight grains and high density. Further complemented by Oak's unique graining, TimberBrushed solid hardwood features a natural and rustic look that complements any décor.

Color Effects with Dimension

Textured by gently removing the soft portion of the wood, each plank in our TimberBrushed hardwood collection features exposed grain and artistic techniques that highlight the beauty of natural wood.
